LOG NOTES - Acting Chief, Production Group - 4 January 1974

1. Forwarded copies of the final version of the JPRS Background Statement to OGC, C&CS, Thuermer's office, and O/Security (via [redacted] with a note notifying them of the 4 February date for surfacing. Since OLC already had a copy of the statement, I merely called [redacted] to inform him of the date and to relay Dr. Knox's appreciation of the OLC offer of assistance in dealing with Congressional Committees and his opinion that such help would not be necessary.
